

PRICES OF OUR SERVICES

Our collaboration proposals, our partnership:

- We establish a first contact by telephone exchange.
 - We make an appointment together that suits you.
 - We move to meet you at the place of your choice.
 - We visit the property together.
 - We listen to you, we take notes, we ask you questions, we answer yours.
 - We are developing together specifications that will define our future collaboration.
 - We establish a quote.
 - We meet for a second meeting and we present our collaboration project as well as the established specifications.
 - We are finalizing the terms of our collaboration during a third meeting.
- We do this to give you time to reflect after our second meeting. We then sign the service contract and the confidentiality charter which will unite us.

Only at this moment of signature, a fixed price of 140 euros will be required for all the work accomplished since our first meeting. You take no risk in consulting us.

Please note that this package is to be recovered when **the first service contract is signed**. We therefore guarantee that all our services are free of charge prior to the signing of this said contract. For the following collaborations, your property file will be taken up and updated at no additional cost.
